

❖ DESCRIPTION

Experience powerful connectivity with our 6-in-1 USB C Multiport Hub, which stands out with its unique transparent shell design. The transparency not only adds to its aesthetic appeal, but also allows you to see the high-quality chip inside, illustrating the strength of the technology that powers your connections. This hub enhances your technology experience with 4K HDMI video output, fast 5Gbps data transfer and 480Mbps SD/TF card reading, and PD 100W fast charging. Featuring a high-quality chip and a durable nylon braided jacket, this portable and compact hub is perfectly compatible with MacBook Pro/Air and easy to take with you wherever you go.
