Y-B101

Bluetooth Speaker

Overview:

UNITEK's Y-B101 Bluetooth speaker is the ultimate portable Bluetooth speaker that effortlessly delivers earth-shaking, powerful stereo sound to the user. Packing a massive rechargeable 400mAh Li-ion battery that supports up to 3.5 hours of playtime, this speaker easily keeps your music and your devices going for as long as you need them to. You can trust UNITEK's B-101 Bluetooth speaker to bring the excitement wherever you need it – whether indoors or outdoors, poolside party or backyard barbeque – with its aluminium housing design that's available in space gray, rose gold and pure gold. Not only that, you can use it to connect FM too.
